MR AND MISS VALENTINE'S

Our third season has aired! Come meet some of our guests!

SUMMARY

In 2022, SSC Diamond Mining and BonRo Studios brought about an exciting collaboration. The Film Club was born and a booming year lay ahead. The Film Club is hosted at the Re Tlameleng Special School, where the blind children work together creating podcasts, and the deaf children make silent movies.

2023 has already brought us a completed short film and podcast, both available for viewing on our YouTube Channel. With a new assistant director, a cameraman, and two new crew members, we successfully started filming our new short film, The Bench.

Chat With Rato Ep 02

Re Tlameleng hosted a valentine's day event, whereby two schoolmates won the title of Mr and Miss Valentine's. On the talk show, they spoke about what type of role models they strive to be for the school.
